College Level (L6)	18 yrs older	No Limit	Female/ Male	\$30.00	X \$30 =

Listed above are the CHEER team divisions we will be having for our competition. Please take note that some levels have been combined to create for a more competitive competition. However, we feel that we have still broken down the levels enough to provide a positive experience for all squads. If your team does not fit into these divisions, please call us and we will gladly assist you.

To **COMPLETE** this cheer team division form, please highlight or circle the divisions you are entering and then put the total cost per squad in the spot allotted.

For gyms entering more than one cheer division—please put all teams on one form. Team names will automatically default to your gym name listed on the registration form. If you have different names you would like to use for your teams, please attach a small note indicating how you want your team name to appear for each division.
